ORDER OF DISMISSAL

JESSE M. FURMAN, United States District Judge:

The Court having been advised (Docket No. 99) that all claims asserted herein have been settled, it is ORDERED that the above-entitled action be and is hereby dismissed and discontinued without costs, and without prejudice to the right to reopen the action within thirty days of the date of this Order if the settlement is not consummated.

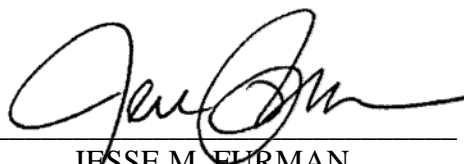

To be clear, any application to reopen **must** be filed **within thirty days** of this Order; any application to reopen filed thereafter may be denied solely on that basis. Further, if the parties wish for the Court to retain jurisdiction for the purposes of enforcing any settlement agreement, they **must** submit the settlement agreement to the Court within the same thirty-day period to be “so ordered” by the Court. Per Paragraph 4(B) of the Court’s Individual Rules and Practices for Civil Cases, unless the Court orders otherwise, the Court will not retain jurisdiction to enforce a settlement agreement unless it is made part of the public record.

The Court assumes that the parties’ settlement encompasses the parties’ disputes regarding the costs and fees associated with Defendants’ preparation and filing of their letter of July 31, 2018 and that that dispute is now moot. (*See* Docket Nos. 91, 93, 96). If that is not the case, and Defendants believe that the Court should still award costs and fees, the parties should advise the Court **by tomorrow**.

Any pending motions are moot. All conferences are vacated. The Clerk of Court is directed to close the case.

SO ORDERED.
